---

→ Rangehood **\$3495.00**

→ Stainless Steel Bulkhead **\$995.00**

→ **Total Cost \$4,490.00**

# Rangehood Dimensions

## 304 Grade Stainless Steel Bulkhead

---

Range Hood  
Suspension  
Points

- The stainless steel bulkhead that we manufacture is important because it sets the rangehood off the wall so that it extends to the front of the BBQ cooktop and captures smoke that might otherwise escape
